

DIEGO SANZ SANTOS

Computer Engineering Graduate

Palencia, Spain

EDUCATION

Master in Computer Engineering

University of Valladolid

2026 – Present Valladolid, Spain

Bachelor in Computer Engineering

University of Valladolid

2021 – 2026 Valladolid, Spain

High School Diploma

Instituto Maristas Castilla

2019 – 2021 Palencia, Spain

PROFESSIONAL EXPERIENCE

Intern & Bachelor Thesis Student

Comlet

March 2026 – July 2026 Zweibrücken, Germany

- Undertook an internship from March 1st to May 4th and completed my Bachelor Thesis (TFG).
- Gained practical experience working with hybrid hardware (Arduino UNO Q) and developing applications using ROS2.
- Implemented Artificial Intelligence and Computer Vision solutions, applying Machine Learning algorithms (Scikit-learn) and Deep Learning models.

SECURITY ASSISTANT

Prosegur2022 – 2025Palencia, Spain

- Supported security and surveillance tasks.
- Demonstrated responsibility and teamwork skills.

TECHNICAL SKILLS

Python
Spark & Scala
SQL / Databases
C
Shell Scripting
Flask / FastAPI
Linux
ROS2 / Arduino UNO Q
Machine Learning / AI
Computer Vision
Grafana / Git
LaTeX

LANGUAGES

Spanish (native)

English (B2)

INTERESTS

- Cybersecurity and Ethical Hacking (Red Team, Pentesting)
- Data Science and Artificial Intelligence
- Operating Systems and Computer Internals
- Electronics and Electronic Components
- Language Learning
- Development of Collaborative and Multidisciplinary Projects

SOFT SKILLS

- Teamwork
- Responsibility
- Communication
- Motivation
- Problem Solving
- Curiosity and Eagerness to Learn
- Constant Interest in New Technologies
